

Polymer Day

**Oak Ridge National Laboratory
 Conference Center
 Building 5200, Tennessee Room C**

May 29, 2018

| | |
|-------------------------------------|--|
| 8:30-9:00 a.m. | Welcome, opening remarks Michelle Buchanan, Office of Laboratory Director Wim Bras, Neutron Scattering Division |
| 9:00-10:15 a.m. 10-minute talks | Chair: Volker Urban Nancy Dudney, Materials Science and Technology Vlastimil Kunc, Additive Manufacturing Facility Brian Davison, Biological Sciences Wim Bras, Neutron Scattering Bobby Sumpter, Computational Sciences Hans Christen, Center for Nanophase Materials |
| 10:15-10:45 a.m. | Break, refreshments provided |
| 10:45-11:15 a.m. 10-minute talks | Chair: Changwoo Do Vera Bocharova, Chemical Sciences Amit Naskar, Materials Science and Technology Sheng Dai, Chemical Sciences |
| 11:30 a.m. – 12:00 p.m. | Recommendations of NSF/DOE decadal report |
| 12:00-12:45 p.m. | Discussion on NSF report Working lunch |
| 12:45-2:45 p.m. 12-minute talks | Scientific Contributions, Chair: Phil Britt Computational - Rajeev Kumar CNMS - Yangyang Wang NSD - Changwoo Do MSTD - Chelsea Chen CSD - Pengfei Cao Biological - Udaya Kalluri Carbon Fiber Facility - Chris Bowland Additive Manufacturing - Ahmed Hassan |
| 3:00-3:30 p.m. | Break, refreshments provided |
| 3:30-4:30 p.m. | Breakout session |
| 4:30 p.m. | Report on breakout discussions Chairs: Paul Langan, Neutron Sciences David Dean, Physical Sciences |
