

2019 Workshop on Polarized Sources, Targets, and Polarimetry

Monday, 23 September 2019

New Applications (15:20 - 17:00)

-Conveners: Josh Pierce

time	[id] title	presenter
15:20	[19] Shielding Charged Particle Beams	DEHMELT, Klaus
15:40	[55] Study of quantum spin correlations of relativistic electrons	DRAGOWSKI, Michal
16:00	[16] Polarization REsearch for Fusion Experiments and Reactors - The PREFER collaboration: purposes and present status	Prof. CIULLO, G.
