Software Development Lifecycle (SDLC): Overview
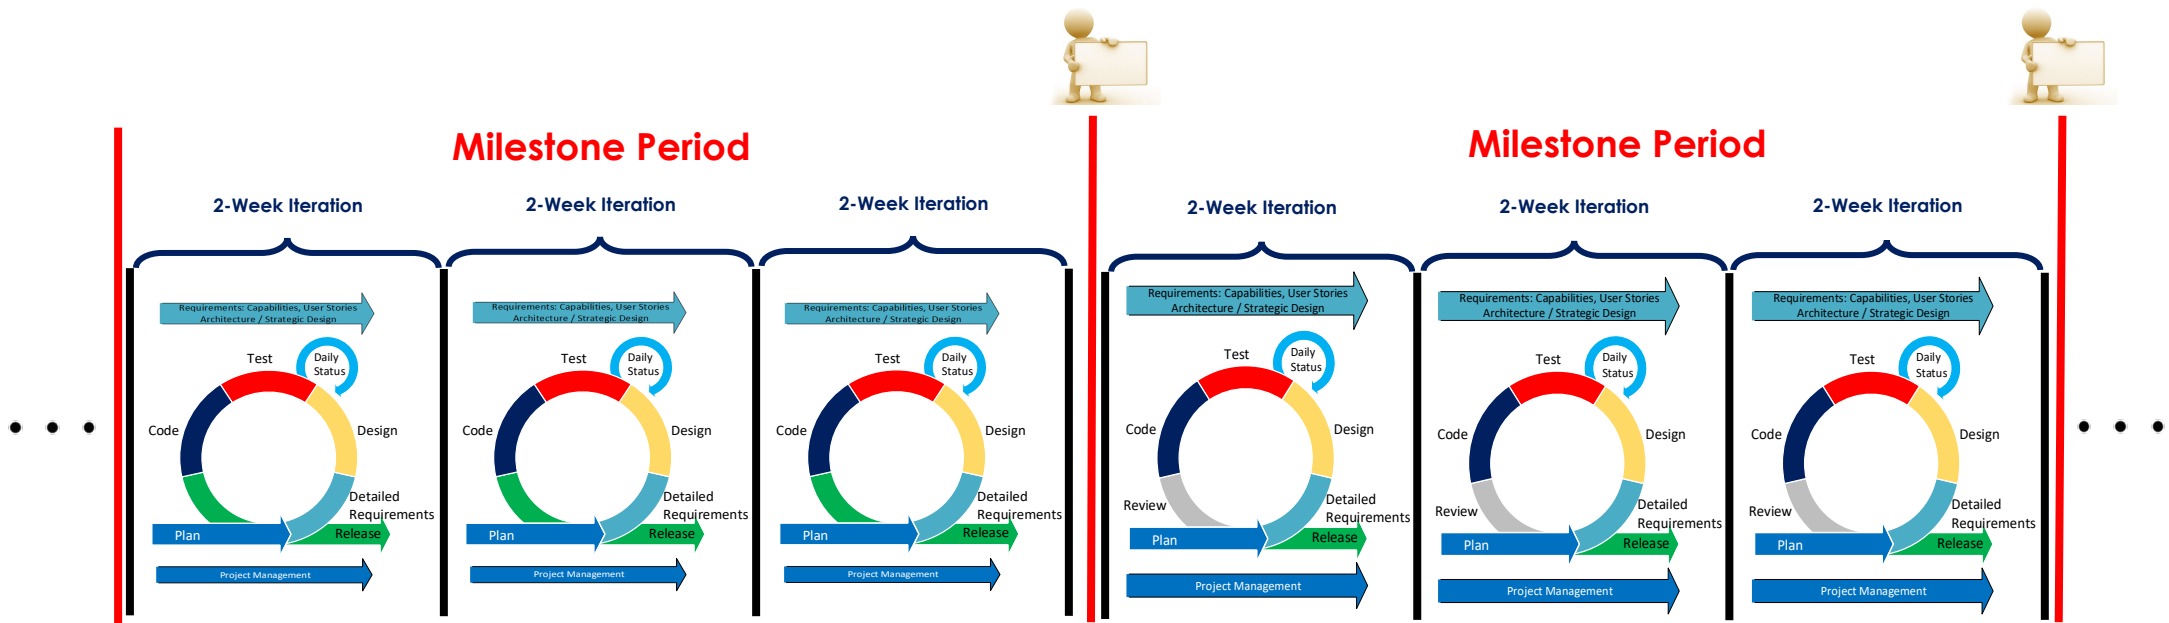

John Hetrick

June 23, 2022

STS/CSMD Workshop
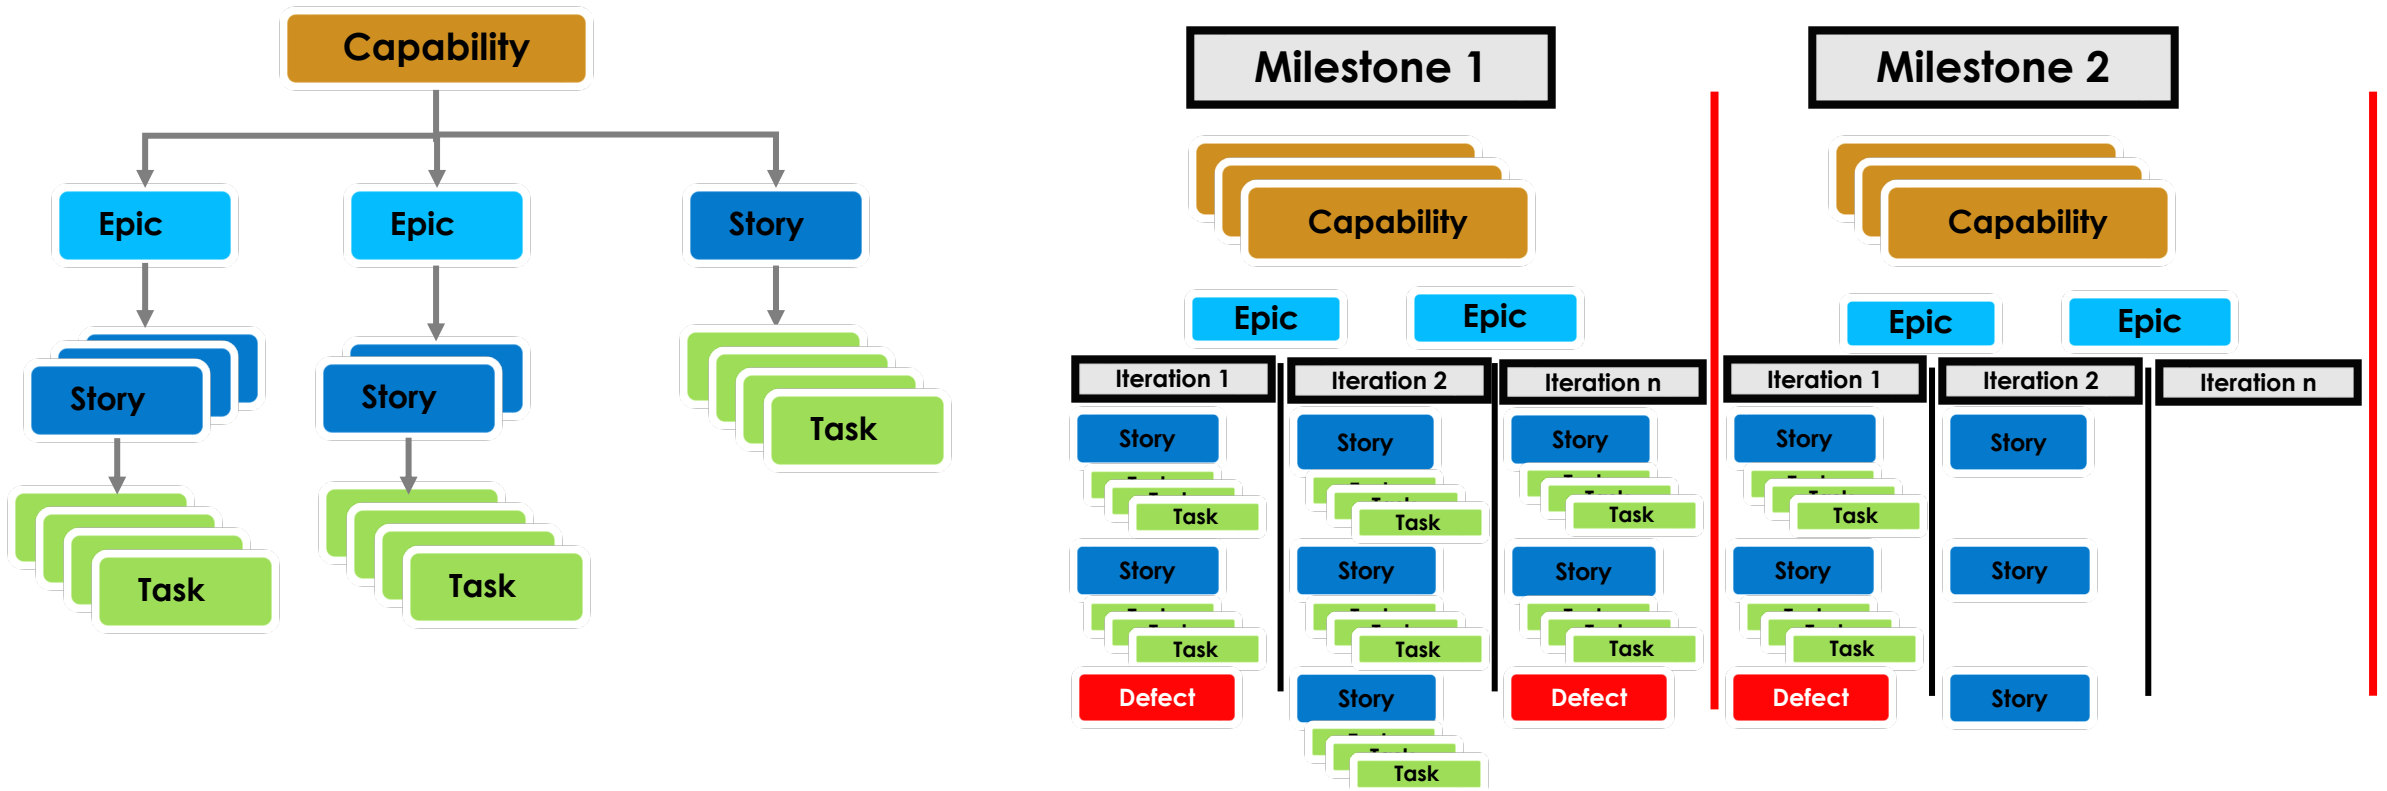

ORNL is managed by UT-Battelle, LLC for the US Department of Energy

Iterative Development: Iterations In Milestones

OAK RIDGE
National Laboratory

All Working Together

- Capabilities → User Stories → Tasks w/ Milestones → Iterations

OAK RIDGE National Laboratory

Guiding Principal

- Plan your work, work your plan

- Identify Goals and Objectives

- Identify what needs to happen to meet those goals and objectives

- Ruthlessly focus on the work to meet the goals and objectives

- Tack Work

OAK RIDGE
